4 2 2

Extensively renovated from the original, this classic brick home has been transformed into a stunning dream family home. Sitting on a generous block in a quiet court location and within walking distance of all amenities, this home really does tick all the boxes. Move in and start living - there's no work needed.

The open floorplan comprises a family and meals area upon entry, an L-shaped lounge and dining area, and a central kitchen. Three good-sized bedrooms with built-ins offer plenty of room for relaxation, with a fourth room that could be a bedroom or study. An elegantly appointed, fully tiled bathroom with a freestanding bath and separate toilet services the bedrooms, while the master enjoys an equally elegant, private ensuite.
