Every once in a while, you come across a home that redefines contemporary living. With approximately 60 square metres of stylish, ultra-modern living space wrapped around a central courtyard with a pool, this is a home that sets a new standard.

An entertainer's delight, there's an abundance of living and entertaining zones, including a formal lounge, casual living room, a spacious open plan kitchen and dining area with double sliding doors opening to the courtyard for seamless indoor and outdoor living.

The media room is the perfect spot for family movie night, or you can reimagine this space into a kid's rumpus room or music room. A games room opens onto the yard where
